

PUBLIC NOTICE

Public Meetings on the Draft Environmental Impact Statement for the Permanent Stationing of the 2/25th Stryker Brigade Combat Team

The Department of the Army will convene five public meetings on the Draft Environmental Impact Statement (EIS) for the permanent stationing of the 2/25th Stryker Brigade Combat Team (SBCT). This EIS examines several alternative Army installations capable of supporting the permanent stationing of the 2/25th SBCT. It includes analysis of all activities (equipment fielding, training, facilities construction, and Soldier and Family support) required to permanently station the 2/25th SBCT. The public comment period began on July 20, 2007 will end on October 30, 2007.

The public meetings on Oahu and Hawaii Islands will be held at the locations and times listed below. At each meeting, information stations with tabletop displays will be available for individuals who wish to obtain specific information from Army representatives from 5:30 p.m. to 6:45 p.m. The formal program will begin at 6:45 p.m. and last until 9:45 p.m. where the public will have the opportunity to comment.

The public will be asked to sign-in and sign-up to comment on specific chapters. If the public chooses not to comment on a specific chapter, they will be advised that general comments will be taken at the conclusion of the chapter reviews. Comments will be limited to 3-4 minutes and managed by the meeting facilitator.

Aunty Sally Kaleohano's Luau Hale
799 Piilani Street, Hilo
Tuesday, September 25, 2007
